Re: United States v. Anthony Moreno
7:24mj02653 (AEK)

Dear Judge Krause:

On August 19, 2024, the undersigned was appointed to represent Anthony Moreno in the above matter. On that day, the Court held a detention hearing and ordered that the defendant could be released on conditions, which conditions included the defendant signing a \$75,000 non-surety bond which bond was to be co-signed by several financially responsible persons. The conditions of the bond were to be met by today, August 26, 2024. Although the government has agreed to the proffered “financially responsible” people, the undersigned requires an additional day or two to have these individuals sign the bond and return it to the clerk’s office.

Wherefore, the undersigned respectfully requests that the Court extend to Friday, August 30, 2024, by which the release conditions are required to be met. The undersigned has discussed this request with AUSA Justin Brooks, who indicates that the government has no objection.

Respectfully submitted
